ABOUT US

YG Group is a global leader in adhesive solutions with over 20 years of industry experience, and established its advertising consumables division in 2022. The division successfully developed key technologies, launching products such as self-adhesive vinyl series, PP series, and lamination film series. In 2024, the company further expanded its product line, introducing color cutting vinyl series and developing high-end imaging applications while also extending its canvas product range.

01 Complete Industrial Chain

02 Independent R&D Capabilities

03 High-end OEM Production Experience

Continuous Innovation and Continuous Breakthrough

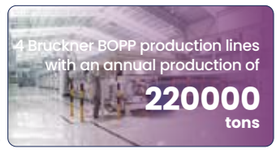

- Founded in Shanghai In 2002
- Main board Listing In 2019
- Total area 1 Million+ m²
- Serving countries 110+
- Employees 4000+
- Serving customers 26000+

ADVANTAGE

Complete Industrial Chain, Strong Production Capacity

Possess the most comprehensive industry chain in the adhesive industry, with an annual production of over 5.5 billion square meters of various adhesive materials, producing integrated products with super high cost-performance.

Global Reach, Local Service: Your Partner Worldwide

Headquartered in Shanghai, we operate 5 plants:
China: Shanghai, Jiangxi and Shandong provinces
Overseas: Malaysia and Vietnam
Supported by 3 regional operations centers (U.S., Vietnam, Malaysia) and local warehouses in the U.S., Vietnam, Malaysia, we ensure agile production, efficient logistics, and localized service worldwide. This strategic network—anchored in Shanghai's R&D leadership—enables scalable, customer-focused solutions across key markets.
